Small Grants Fund Recipient 2006

Birthright Hawke's Bay, Napier

Grant: \$3295.00 (plus GST).

Birthright Hawke's Bay is an organisation that has caregiver services providing respite care and a residential home. The organisation has a team of qualified social workers that work with children and youth who are experiencing abuse, pressure or the impact of drugs, alcohol and violence in their lives.

Funding from the Small Grants Fund will go towards enabling Birthright Hawke's Bay social workers to attend the conference entitled "From Strength to Strength" in order to up skill and provide strength based practice to clients. Save the Children believes that well-trained staff serve the interests of children and their families better. Staff members whose skills are continuously upgraded are likely to be happier and more motivated.
